SECRET - HANDLE VIA TALENT CHANNELS ONLY

MEMORANDUM FOR: CIA/TCO

SUBJECT: Request for TALENT/AQUATONE Clearance

1. Authorization is requested to clear the position of the Chief of the Product and Consumer Group in the Office of Production (PROD-05) for TALENT and AQUATONE.

2. As previously discussed some time ago, the incumbent of this position is in a position to provide additional safeguards to unwarranted dissemination of reflections of missions which do not emanate from centers reflecting in the TALENT system. Further, now that we are publishing items from System III as COMINT end-product within the TALENT system, he has a definite need-to-know, since relationships with end-product users are his business.
